SARATOGA MUSIC
BOOSTERS

Sunday May 5th, 2024

SMB SUPPORTS MUSIC EDUCATION THROUGH 5-12TH GRADE IN
SARATOGA UNION SCHOOL DISTRICT & SARATOGA HIGH SCHOOL

The Saratoga High School Music Department involves about 40% of the schools' population of around 1,160 students. The curricular program includes 3 concert bands, percussion class, 2 jazz bands, marching band, 4 string orchestras, 1 symphony orchestra, 2 choirs, handbell ensemble, AP music theory, 2 winter percussion ensembles, 2 winter guards, and various chamber and outreach ensembles. The school's music programs have performed at regional, state, and national conferences, and have consistently earned superior ratings at state, local, and international festivals for over 20 years!

The Saratoga High School Music Department has a strong tradition of propelling individual student accomplishments and challenges as desired by each student. SHS boasts a large percentage of students accepted into All-State band, orchestra, and choir – the same holds true for regional honor ensembles. Each year various local and national concerto competition winners come out of Saratoga High School, and SHS hosts its own concerto competition annually.

The foundation of the music program in Saratoga is grounded in the musical experiences students are provided at Redwood Middle School and the elementary schools in the Saratoga Union School District. Led by SUSD/SHS alumni Mr. Jon Jow (Class of 2002) and Ms. Isabel McPherson (Class of 2012), with much support from our other music staff members, the Saratoga Union School District music program provides students with many musical experiences starting with beginning instrumental music in grade 5, then adding choir, color guard, and other learning/performance opportunities at the middle school level. In a typical school year, the Redwood Music Department performs locally throughout the year at various competitions and festivals, as well as travels to tour and perform in Southern California and Disneyland. Saratoga High School and Redwood Middle School work closely throughout the year, sharing in a variety of concerts, events, and fundraising activities.

**Mr. Michael Boitz, Instrumental Director
Mr. Jason Shiuan, Instrumental Director
Mr. Sean Clark, Instrumental Director
Ms. Beth Nitzan, Choral Director
Mr. Jon Jow, Instrumental Director, SUSD
Ms. Isabel McPherson, Instrumental Director, SUSD
Mr. Chavadith Tantavirojn, Percussion Co-Director
Mr. Russell Crow III, Guard Director**

WELCOME

We hope you enjoy the locally sourced strawberries, sausages, and of course our pancakes flipped by our local celebrities while listening to our wonderful student performances!

Stop by our **Silent Auction** table where we have amazing items with great starting bids to ensure a nice win, as well as several priceless treasures. These items are on display under the canopy in the quad next to the celebrity flippers. Each gift basket has an accompanying bidding sheet outlining its contents and some sheets will have a starting bid to get the fun going. Please make sure to make the rounds throughout the morning, to bid and bid some more. You might be a winner!

If you want to 'buy now' then we have plenty for you to choose from at our **Spot Buy** table near our Silent Auction tent. We have something for everyone. So be sure to come and look.

Sellers will be coming around with \$5 **Grab Bags**. They are great for kids, and they will be entertained discovering the surprises inside their bag. Grab one before they sell out. Supplies are limited.

Of course, what is Pancake Breakfast without some **Grand Prize Raffles!** Come buy some raffle tickets (1 ticket for \$4, 4 tickets for \$15 or 10 for \$30) at the **Raffle Table**. We will draw our winners at the end of the performances around noon. You must be present to claim your prize if you did NOT fill in your contact information when depositing your lucky raffle ticket! If you did, then you are free to leave and you may be later surprised by one of our volunteers alerting you of your win. What a way to end the day!

Now it's time to sit back, enjoy the entertainment, eat some pancakes, sausages, strawberries, and loosen those wallets to help us raise funds for our music program. This donation offers an immediate return on your investment as evidenced by quality performances.

SMB Pancake Breakfast – May 5, 2024

SMB:

SARATOGA MUSIC BOOSTERS

Saratoga Music Boosters (SMB) is an all-volunteer charitable organization with the sole mission of supporting music education in Saratoga's public schools. While many booster organizations focus on one school or one district, SMB supports robust music education and opportunities in both Saratoga Union School District and at Saratoga High School through fundraising and donations. The funds are directed towards instrumental, choral, and color guard scholarships, musical instruments, sheet music, equipment and more, for the music programs at SUSD/SHS schools.

SMB seeks volunteers throughout the year to help at our fundraisers, group events and competitions. Volunteering is also a great way to make new friends in the community with opportunities to travel with our ensembles on unforgettable trips. Please get involved!!

The support of music families, such as yours is what makes music in Saratoga so special!!

We are actively seeking volunteers for the next 2024-2025 academic year, please consider joining this truly fun organization that directly benefits all students and works closely with music directors and schools to further enhance the music experience. All open positions are published on the SMB website.

Now here comes a once in a 50-year span opportunity to really appreciate the history of our dear Saratoga Music Boosters' existence. SMB is celebrating 50 years of its founding. The reason it was established was to ensure every music student attended the 1974 Vienna Music Festival. This initial enriching experience is what led families to continue to fully support, through the decades, SMB's mission in making enriching opportunities available to all music students.
